**Full Moon Snowshoe Hike
Friday, February 10, 2017**

The Getaway Adventure Program is delighted that you will be participating in this year's Full Moon Hike on Friday, February 10, 2017. Our moonlight stroll will be in the Sandia Mountains.

Participants should bring:

- Water
- Small headlight or flashlight
- Water proof boots that provide ankle support
- Warm Clothes/Layering/water proof clothing
(Jeans are unacceptable)
- Thermal underwear
- Wool or polypropylene socks
- Bring extra socks and plastic bags in case your feet get wet
- Feet and hand warmers (optional but great for warmth)
- Snacks
- Backpack to carry everything
- Warm hat
- gloves

Tips for Snowshoe Hike

Scotch guard your boots inside and out at least 2 days before the trip. This will allow drying time. If your hands and feet have a tendency to get cold you can purchase inexpensive disposable hand and feet warmers at local outdoor stores.

Dinner - You may want to bring some dinner to eat with you on the way up or for when we stop for a break. I cannot guarantee that the High Finance restaurant will be open so we usually eat in the tram house. I will bring some hot drink to keep warm!

Snacks -Try to pack energy type snacks such as: dried fruit, power or cliff bars, nuts, baked potatoes, granola bars, etc. Chocolates and candy will tend to only give you short

Getaway Adventures has the right to refuse your participation in this event if you do not appropriately dress and bring adequate food and water. This is a safety pre-caution. Please read the list over carefully this will make your hike much more enjoyable.

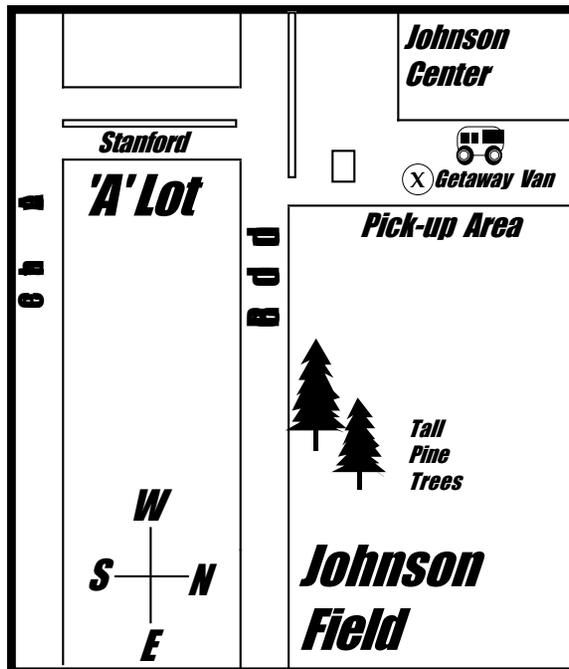

We will transport you in a UNM van to our hiking location. Please meet at the east entrance of Johnson Center by the Outdoor Shop 5:00p.m. It is on the east side of Johnson Field and you should see my can parked on the jogging trail.

We should arrive at our hiking location at approximately 5:45p.m. Parking restrictions are in effect until 6:00p.m. However if you have a UNM parking sticker other than the A lot you can parking with that sticker after 3:45p.m.

The actual hike is a moderate 3 mile round trip, between elevations of 9000 and 10,000 feet. You will have a chance to get in a panoramic view of Albuquerque lit up at night!! We should arrive back on campus between 10:00p.m. and 10:30.m.

Don't worry about your snowshoes we will bring them for you! Unless you have your own.

I hope you have a great time exploring by the light of the full moon! If you should have any questions feel free to call me at 277-0178 or email me at lmont@unm.edu

Sincerely,

Laura Montoya
