We are not responsible for providing equipment for you on our departure date if you did not contact me and let me know what your equipment needs are. Equipment is limited so please contact as soon as possible! Best way to contact me is lmont@unm.edu or leave message at 277-3733

I am delighted that you are joining us on this “next level” skiing (or hiking...depending on snow conditions) adventure to the San Antonio Hot Springs in Jemez, New Mexico. These hot springs are some of the most pristine in the Jemez and worth the ski or hike into this location.

Please note you must be able to Nordic (cross country ski) or be prepared to hike. The trip will go with or without snow! The ski or hike is a total of 10 miles. Five miles in five mile out! You must be in good physical shape to enjoy this “next level” Getaway.

We will depart on Saturday, February 25th at 8.00a.m. on the east side of Johnson Center. Look for our UNM van parked on front of the Outdoor Shop. Parking restrictions *do not* apply in the “A” lot on weekends. Do not park in the parking structure or in metered areas because you will get ticketed. Our return time will be approximately between 5:00p.m. and 5:30p.m.

Providing on our inventory we may be able to outfit you with some cross-country skis if you do not have your own. You can email me at lmont@unm.edu and I will check our inventory. We will make a list of your needs and we will bring equipment to you. Equipment requests are based on sizes and supplies. You will need to give your height weight and shoe size for skis. If we do not have your size or low on inventory you may have to rent at Sport Systems at an extra cost. It is important that you let us know your sizes asap if you paid the price to include your equipment so we can reserve for you.

I look forward to sharing this adventure with you. If you have any questions please email me at lmont@unm.edu.

Sincerely,

**Laura Montoya
