Parking: There is no charge to park in the A lot during the weekend, however if you do not have a UNM parking sticker and you park in the A lot on your Wednesday session you will get ticketed. The other option is to park in the parking structure by our building. Sometime during the weekend there will be special events that will take up parking in the A lot. You can try and park in the lot near the tennis courts on the north side of Johnson field. Please be advised NOT to park in any of the R lots which are located just east of the A lot and also behind the dorms near the parking structure. Please go to this link to see a map of these areas:
http://pats.unm.edu/maps/index.html
You can park in any of the other areas other than R for free.
To get into the classroom on the weekend meet at door: # 45 / 46
They are located on the southwest side of the building. Door numbers are in red at the top. This door also faces the Student Health Center and is the parking lot area for handicap.
