I am delighted that you have decided to join us on this special Getaway Adventure. You will be enjoying a beautiful southwest climbing experience in the New Mexico sun. This excursion will teach you the basics of rock climbing in an outdoor environment. Instruction will cover equipment overview, knots used, belay school, climbing techniques and tips. The cost includes transportation, one day of instruction, climbing equipment and climbing shoes. Please email Laura your shoe size to lmont@unm.edu.

We will be climbing at the following location:

Location depends on conditions, but we are shooting for Box Canyon in Socorro or Los Conchas in the Jemez.

Please plan to pack a sack lunch and snacks for the day. Bring at least two quarts of water. Pack sunscreen, chap-stick and a jacket. Dress comfortably and appropriately to weather. Do not wear jeans because they can be too restricting. Use the layering technique to adjust for temperature change.

Please meet at 7:45a.m. on the south side of Johnson Field by the pine trees. We plan to arrive back in Albuquerque at approximately 4:30p.m.

If you have any questions please call me at 277-0178. This should be a fun filled day on the rocks! I look forward to sharing it with you!

Sincerely,

Laura Montoya
