

***There are no refunds 7 days or less prior to this Getaway event. Also there will be no refunds for "no shows" on any Getaway Adventure. No exceptions.**

Here is what you will need to know for your Santa Rose Swim Day adventure:

Santa Rosa is known as the “city of Natural Lakes,” due to the many lakes and streams in the area. Santa Rosa became a well-known “oasis in the desert when Route 66 was completed in 1930. The goal of Getaway Adventures this summer is to find places where you can cool off! We will be visiting two areas of water in Santa Rosa, the Park Lake and Blue Hole. Blue hole is known for scuba diving because it is part of a vast underground system of water. The Park Lake has a WIBIT that is pictured; a slide, diving board area, and an area for lap swim too!

We will depart on **Sunday, July 23 at 8:30 a.m.** We will arrive in Santa Rosa at approximately 10:30a.m. Look for the white UNM van. You can park in the “A” lot with no parking restrictions. I anticipate our return time at approximately 4:30p.m.

What should I bring?

Swim suit, towel, folding chair or something to sit on, (there are picnic tables, but if you want to relax by the lake you will want to provide sometime for comfort), dry clothes, sun screen, beach cover up, float tubes or any other float items that don't take much space up in van, water sandals, dry shoes, hat, jacket, rain poncho, (you never know if the weather will change!), snacks, extra drinks. We will provide extra water, snacks, and lunch. Please email me if you have any diet restrictions.

Cost includes:

Transportation, WIBIT fees, entrance fees to Blue Hole, snacks, water, lunch and guides.

I am excited to share this experience with you. Park Lake and Blue Hole will always be special to me since it is where I learned how to swim! Please email me with any questions or diet restrictions. lmont@unm.edu

Happy Swim Days Ahead!
