

The Getaway Adventure Program is excited that you have chosen to participate in our adventure to hike the Pino and South Crest Trail, which is located in the Sandia Mountains. This is a unique alternative to hiking the La Luz Trail. We will be hiking up the trail and taking the Sandia Peak Tram down! The hike will be challenging and is approximately 9 miles total. We will have a 2,798-elevation change. We recommend that you are in good physical shape and are able to tolerate these elevation levels.

The hike is classified as difficult. This is why we call it a “next level” Getaway Adventure. There will be two guides available for those who wish to hike faster or slower. The good news is we won’t make you hike back to the van! We will take Sandia Peak Tram (included in cost) down and will shuttle back to the van! Remember this is a Recreational Services’ sponsored event so we want you to enjoy a “leisurely” hike at your own pace.

You should bring the following items:

- A lot of water (min 2 qts.)
- Lunch
- Good walking shoes
- Clothes appropriate to weather
- Sunblock
- Snacks
- Hat
- Rain Poncho

Sorry there are no refunds if you cancel 7 days or less prior to your adventure.

This also applies to tuition remission benefit.

We will meet on the South side of Johnson Field at 8:00a.m in front of the large pine trees on the south side. There are no parking fees in effect on the weekend so feel free to park in the “A: lot.

We will start our hike at approximately 8:30.m. Our anticipated time for being done with our hike is and down the tram and back to campus should be about 4:30p.m.

If you have further questions please email me at lmont@unm.edu

Sincerely,
Laura Montoya
